

QUALITY POLICY

Panel Systems are a UK based manufacturer with over 40 years' experience of supplying major markets including Construction, Automotive, Leisure and OEM markets.

Panel Systems continually strives to provide quality products to meet our customers current and anticipated requirements.

This is achieved by :-

- **Operating and complying with a Quality Management System in accordance with the requirements of BS EN ISO 9001:2015**
- **Reviewing and continually improving the effectiveness of the Quality Systems and their impact on our business systems.**
- **Setting objectives for continual improvement of our Quality performance**
- **Identifying customer needs and meeting their expectations.**
- **Compliance with all relevant legal, health & safety, environmental and if applicable contractual requirements.**
- **To actively encourage employees to identify and make improvements to the Quality Systems.**
